

Jennifer L. Dixon, MS, RT(R) (CT)

Education:

Clark F. Miller School of Radiologic Technology, Lewiston Maine – Class of 2009

Central Maine Community College, Auburn Maine – Associates of Applied Science – 2009

Clark F. Miller School of Radiologic Technology – Computed Tomography Program - 2010

University of St. Francis, Joliet Illinois – Bachelors of Science – Healthcare Leadership – 2013

University of St. Francis, Joliet Illinois – Masters of Science – Healthcare Administration -2015

Teaching Expertise:

I joined the faculty at the Maine College of Nursing and Health Professions in September 2015 as a Computed Tomography instructor. This is my first teaching opportunity, and I find it very exciting to be able to contribute to instilling the knowledge and professionalism of the computed tomography modality within the minds of new CT students
