SUBJECT: STUDENT LEAVE OF ABSENCE (LOA)

LOA Policy: MCHP's LOA Policy is made available to students via its web site at www.mchp.edu, and in MCHP's catalogue.

Approved Leave of Absence -- A leave of absence (LOA), for Return of Title IV (R2T4) funds purposes is a temporary interruption in a student's program of study at MCHP. LOA refers to the specific time period during a program when a student is not in attendance at MCHP, but is not required if a student is not in attendance only for an institutionally scheduled break. However, a scheduled break may occur during an LOA.

An LOA at MCHP must meet certain conditions to be counted as a temporary interruption in a student's education instead of being counted as a withdrawal requiring MCHP to perform an R2T4 calculation. If an LOA does not meet the conditions in 34 CFR 668.22(d), the student is considered to have ceased attendance and to have withdrawn from the school, and the school is required to perform an R2T4 calculation.

For an LOA to qualify as an approved MCHP LOA:

- MCHP must have a formal written policy regarding leaves of absence requiring that all requests for leaves of absence be submitted in writing, signed, dated, and include the reason for the student's request;
- The student must follow MCHP's policy in requesting the LOA;
- There must be a reasonable expectation that the student will return from the LOA;
- MCHP must approve the student's request for an LOA in accordance with the school's policy;
- MCHP may not assess the student any additional institutional charges, the student's need may not increase, and therefore, the student will not be eligible for any additional federal student aid;
- The LOA, together with any additional leaves of absence, must not exceed a total of 180 days in any 12-month period;
- A MCHP student returning from an LOA must resume their educational program at the same point in the academic program that he or she began the LOA, and

- MCHP will explain to the student, prior to granting the LOA, the effects that the student's failure to return from an LOA may have on the student's loan repayment terms, including the expiration of the student's grace period.

Maximum Time Frame (MTF) – MCHP's MTF accounts for all periods of non attendance (including weekends and scheduled breaks), and will not exceed 180 days. CNHP will reduce the length of an LOA, if the 180th day falls on a day the school would be closed.

Students wishing to take a leave of absence must contact their Academic Advisor and the financial aid office. A request for a leave of absence must be submitted in writing, to the Registrar, and the request must be signed and dated by the student making the request. The LOA request/application must clearly explain the reason(s) for the LOA, and if known, how long the LOA is expected to last. The LOA must be requested in advance, unless the circumstances surrounding the LOA prevent it. For example, an accident, that renders the student unable to continue his/her studies for a period of time, would not be predictable and the LOA could not be requested in advance. Other circumstances could be predictable, although the timing might not always be the same. In other words, a scheduled event could be known three months in advance, but a family illness that is progressive might not be of an emergency nature until a turn takes it into such a stage.

A leave of absence may be granted for up to one hundred eighty calendar days within a 12-month period. The student will be notified of the decision in writing, within five (5) school days. For NSLDS enrollment reporting, an LOA should be reported as an "A".

The College's refund policy will apply to students who are granted a leave of absence.
